■ PROFILE

Graphic and visual communication designer and founder of Oflak Studio & Crea Graphix. Across 3+ years I have delivered 25+ branding projects for 16+ brands across a dozen-plus industries — healthcare, B2B technology, retail interiors, automotive, fashion & denim retail, agriculture, food & FMCG, wellness and NGO communication — pairing creative craft with clear, business-minded design.

■ EXPERIENCE

Digital Marketing Manager

2024 – Present

JGM Multispecialty Hospital

- Design 100+ awareness posters, festival, doctor and recruitment creatives for a high-volume healthcare calendar.
- Built the hospital website (jgmhospital.com) with the Hostinger AI website builder.
- Supported a 40% improvement in patient outreach through digital campaign assets.

Graphic Designer Executive

2023 – 2024

Suprams Info Solutions, Delhi

- Produced 300+ B2B technology creatives across print, digital, social, EDM, standees and brochures — for software, hardware, cloud and cybersecurity lines.
- Designed sales collateral featuring partner brands (Cisco, Sophos, Microsoft, AWS) and cut project turnaround by 25%.

Founder & Owner

2023 – Present

Oflak Studio & Crea Graphix · Independent

- Delivered 25+ branding projects: identity systems, guidelines, marketing creatives and digital assets.
- Lifted client engagement by 35% through modernized digital assets and modular web design.
